SPECIAL APPLICATIONS

Trodat products are truly original:

36 years ago, the first plastic self-inking stamp was invented with the Trodat Printy. Since then, more than 200 million have been sold all over the world. Each year sees the arrival of new innovations such as the Multi Color Impression, the first personalised multi-colour impression, or the Trodat Mobile Printy, the first clean, single-handed pocket stamp.

Continuous developments in staff, processes and materials ensure high standards of quality at Trodat. You can be sure that you are getting only the best stamp products for your needs.

Continuity, trust and innovation also characterise the cooperation of Trodat with its sales partners – in more than 150 countries around the globe.
